

The Ohio Fairness Act: Good for the Economy?

Are Sexual Orientation/Gender Identity (SOGI) laws actually good for business?

Liberal activists claim SOGI laws are crucial for Ohio's economy. **But is there any actual financial or economic data to back this up?**

The answer is a resounding **NO**. In fact, a recent report on the states that are best for business shows a different story:

CNBC's 2019 America's Top States for Business Facts

70% of the Top 20 States Do NOT Have a SOGI Law

1) VA	6) GA	11) IN	16) IA
2) TX	7) MN	12) FL	17) ND
3) NC	8) NE	13) TN	18) ID
4) UT	9) CO	14) MA	19) KS
5) WA	10) OH	15) WI*	20) AZ

**WI does not include Gender Identity in Law*
