

FORMAL JOINT CLERGY STATEMENT

Drafted by the Richland Community Prayer Network

Regarding the public endorsement of conservative candidates for 2019 Mansfield citywide elections involving mayoral and council positions

Media release dated November 1, 2019

Endorsements of twenty-four (24) leading clergymen

"Christians have a civic duty to vote Biblical values in next week's elections. As twenty-four leading clergymen in the community, we encourage our citizens to vote with wisdom.

We believe Mayor Timothy Theaker, both Councilmen Cliff Mears and David Falquette, and Gerald Strouth, are all qualified candidates in their respective races. If elected as city officials, it is our opinion these four will best represent faith, family, and freedom, based on their recent responses to the Frontlines Ohio candidate survey."
