“If My People....”

Encourage a Fast

Invite your congregation to fast as you approach hosting
the day before
or
the day of
or
the week leading up

let each according to their nature or ability,
to be available to God's presence and voice.

A complete fast — only liquids typically water or light juices
or

A partial fast — abstain from eating any food in morning or afternoon
or

A selective fast — removing certain elements from your diet
such as meat, sweets or bread

The goal is to draw nearer to God,
eliminate distractions for a spiritual purpose,
to renew us from inside,
to celebrate God's goodness and mercy,
to seek God in prayer
and follow what the Holy Spirit leads you to do.

Let it be a personal challenge, keep it quiet to avoid boasting,
and let God fill the hunger you feel.
But, know your body — don't go beyond what is healthy for you.

Matthew 6:16-18; Joel 1:14; Isaiah 58:5; Jonah 3: 5
