We arrived on scene and were let into the building by security guard, Jacob Sanders. Mr. Sanders showed us a video of the suspect shoplifting marijuana. The business, PureOhio Marijuana Dispensary had numerous surveillance cameras mounted inside the store, including one over the counter. Mr. Sanders played a video from 04-22-2020 at 1607 hours, which showed the suspect, later identified as Ajaib Pureval, steal a small container of marijuana. The video shows Mr. Pureval talking with employees behind the counter and placing some marijuana behind the monitor at the front desk, so it was out of view of the employees. He then purchased a small amount of marijuana and before leaving the counter, grabbed and placed the marijuana he had hidden behind the monitor into his pocket. He then began to leave the dispensary, and Mr. Sanders saw him leaving the building with the stolen marijuana partially visible from his pocket. At no point did the suspect try to pay for the marijuana he concealed in his pocket. He was then stopped by another security guard named Jeremy Snyder along with Mr. Sanders. Mr. Snyder recovered the shoplifted property after confronting the suspect. Mr. Sanders said the marijuana stolen was 8.49 grams and valued at \$48-\$58.

**

We then talked to the manager of the dispensary, Scott Spinale. Mr. Spinale wanted documentation of the incident so he could report it to the Ohio State Pharmaceutical Board so they could possibly revoke the suspect's medical marijuana license. I then gave Mr. Spinale the report number for the incident and ordered him into the Prosecutors office on 04-30-2020 at 0830 hours. Mr. Sanders was unable to burn the video of the incident to a disk but could transfer it to a thumb-drive if needed. Cleared with nothing further to report.

Items stolen: \$261 worth of cannabis and cannabis instruments, stolen from dumpster

Suspect(s): 4 subjects wearing dark colored sweatshirts with their hoods up and blue jeans. 1 subject wearing red sweatshirt with hood up and blue jeans

Emily Daveport, key employee of The Forest, contacted this agency to report an entry to their dumpster. I responded and spoke with Emily who showed me the footage. Emily stated they have a secure dumpster which is secured by a lock. Inside the dumpster there are discarded products, waiting for proper destruction.

At 2342 hrs on 4/25/22, 4 subjects approach from the east and walk through the parking lot, directly to the dumpster. These subjects force open the locked dumpster and remove \$261 worth of cannabis and cannabis instruments. The suspects remain on scene for approximately 10 minutes while they go through the dumpster. A 5th suspect enters from the west and assists with the entry. After the theft, they all leave westbound from the area. All suspects in the video have their identities covered by hooded sweatshirts.

Emily explained if the suspects can be identified, they wish to pursue charges. Emily also stated she would get me a copy of the video at a later time.

A call was received regarding the dumpster being entered at The Forest(1651 Tiffin Ave.). Morena Bruhn advised the dumpster was entered the night prior and trash was scattered about the enclosed dumpster containment area. Morena said there was nothing of value in the dumpster at the time it was gone through. In reviewing the video, at approximately 11:10 pm, on 4/28/2022 a dark colored sedan arrives in the parking lot of K&K interiors(west of The Forest), and (3) subjects approach the dumpster, as the vehicle departs the area and travel's south on Tiffin Ave. onto the Rt. 6 bridge. The subjects enter the enclosed dumpster area and some how open the dumpster and start going through it. The subject's are observed using flash lights. A short time later, the subjects walk back to K&K parking lot and the vehicle picks them up. They leave the parking lot and travel north on Tiffin Ave. into the city. The identities of the subjects are obscured. Two of them appear to be thin males and one is a shorter female. I checked the dumpster and did not locate anything of evidentiary value and the dumpster was not damaged.

In the video, a SPD cruiser is observed going through The Forest's parking lot 10 minutes later after the subjects left. Morena advised the subject's appeared to be the same ones as before. She stated a the video would be prepared by their IT department later in the day. She was advised that a supplement report would be on file.

The Forest advised they would provide the video to this department once it's ready.
